Tony Martial came from France,
The English press said he had no chance,
£50m down the drain,
Tony Martial scores again!!

We'll Never Die

United's flag is deepest red
It shrouded all our Munich dead
Before their limbs grew stiff and cold
Their heart's blood dyed it's ev'ry fold
Then raise United's banner high
Beneath it's shade we'll live and die
So keep the faith and never fear
We'll keep the Red Flag flying here
We'll never die, we'll never die
We'll never die, we'll never die

We'll keep the Red flag flying high
'Cos Man United will never die

Stretford Enders

Bertie Mee said to Matt Busby
'Have you heard of the North Bank, Highbury?'
'No,' said Matt, 'You cockney twat,
But I've heard of the STRETFORD ENDERS!!'

Something tells me I'm into something good.

The Pride of All Europe

We are just one of those teams
That you see now and then,
We often score six
But we seldom score ten,
We beat em at home
And we beat em away,
We kill any bastards
That get in our way;
We are the pride of all Europe
The cock of the North,
We hate the Scousers
The Cockneys of course (and Leeds!),
We are United
Without any doubt,
We are the Manchester boys
